CLASSIC III WHEELS

CLASSIC III WHEELS

Classic style available in two popular finishes. The Classic III features a highly polished finish with matching polished hand holes. The Classic III Black features a satin black finish and protective clear coat. The M/T® stamp of quality and limited lifetime warranty gives added value to this popular truck wheel.

- Highly polished surface or satin black finish
- Polished hand holes for a more distinctive and attractive look
- High load rating
- Smooth outer lip for a clean look
- New 15" sizes
- New 16 x 7, 6 lug and 8 lug trailer applications
- Embossed with the M/T logo
- Non corrosive, two-tone, screw-on center cap included
- Lifetime limited warranty against structural defects
